SHANAHAH INSURANCE

The Shanahan Insurance Agency sold it's first insurance policy for a fast lube service center in 1982. During this time period we have processed thousands of claims. We provide our clients with prompt claim service - those customers that have had a claim are contacted within one business day. If the customer needs a rental vehicle, the insurance company will arrange for that.

All claims are thoroughly investigated, and those without merit are denied. In addition, we provide our clients complete loss runs on a regular basis so that they may keep track of their own experience.

We have not forgotten how prompt, personal service has allowed us to continue to grow. We can assure you that we will continue to provide our clients with this service.
